Model Application**

Thank you for your interest in the Veterans Guest House fashion show honoring women in the military. We have a wonderful tradition that the models are women who are serving or have served our country. Due to the interest that has been shown, we have developed a selection process, including an application. Please read the requirement and complete in full the application. Applications are due by **July 1, 2016**.

MODEL REQUIREMENTS:

You must be currently serving, retired or honorably discharged. This is a premier event which takes planning and coordination. You will be asked to attend an initial meeting, store fittings, and the necessary work session(s). There will be a final rehearsal at the Peppermill on Wednesday, September 28th, which is mandatory. You will be asked to have your hair and make-up done, the morning of the show, by the Salon of our choice. There is no charge for this. You may be required to attend an initial interview prior to selection. If chosen, you will be assigned to a specific store and model two outfits selected by the participating store. Selections will be made by committee to ensure the event is represented by all military services and is a cross-section of women, i.e., age and size. A current photo must accompany the application. We are looking for a group we can put forward as the face of the women who so proudly serve or have served this country.

REQUIRED PARTICIPATION

Dates and times of practice sessions and fittings will be determined as soon as possible and once models are selected. Typically fittings and practice sessions are 2-3 weeks prior to the show, and we ask that you be flexible. We want our models to look great, feel confident on the runway, and most importantly have fun! Please complete the application in full and return to Linda at the Veterans Guest House by 5pm, Friday, July 1, 2016.
